

Plymouth Area Republican Committee Member Application

If you are a registered voter with a conservative voting record* you may become part of our group.

MISSION

The Plymouth Area Republican Committee identifies, helps train and support conservative Republicans for state and local offices.

Purpose:

We believe conservative principles help to **"Keep New Hampshire Great!"**

Membership:

You must have a conservative voting record to be a member. Two member types are offered, determined by where you live. If you live in one of the towns included in our catchment area you can become a Full member. If not, then you can become an Associate member. The difference is that we only allow Full members to vote in our Board meetings and / or run for a board position. We ask members of either type to make an annual donation. We plan to hold June Board elections.

Catchment area towns: Alexandria, Ashland, Bridgewater, Bristol, Campton, Canaan, Dorchester, Ellsworth, Enfield, Grafton, Groton, Hebron, Holderness, Lincoln, Orange, Plymouth, Rumney, Thornton, Waterville Valley, Wentworth, Woodstock.

Events:

We hold regular meetings and events. Here is your opportunity to meet and mingle with like-minded conservatives. Monthly **"Dessert with Friends"** will have interesting speakers and topics of interest to conservatives. Educational and entertainment events are also in the planning stages.

*Those not meeting these criteria will be denied membership, their donation retained.

First Name, MI.

(Mr. & Mrs., Mrs. Ms. Mr.)

Last Name

Residence (as appears on your town's voter roll.)

Town

Street no & name
